

McFarland Family Festival
“Battle of the Bands”
Rules for Participation

1. Each band must have at least one high-school or older band member who lives in the McFarland school district.
2. No vulgar lyrics (obscenities, profanity, etc.). Festival staff will review lyrics for appropriateness. If a vocalist becomes vulgar during their band’s performance, it will be ended and they will be disqualified.
3. Each band must submit a signed application, with their performance lyrics to the Family Festival office by August 20, 2007. If possible, please try to submit a demo tape or CD as well. Due to time constraints, we can only accommodate four bands. The first four bands to send in an application that meets the criteria will be included in the Battle. The Festival office address is 5915 Milwaukee Street, McFarland, 53558.
4. Participating bands will be expected to attend a meeting with Festival planners sometime later in August (exact time to be determined). This is not an audition.
5. Bands should provide their own instruments for the event. Mics, speakers and a professional sound tech will be provided. Any special requests for equipment or setup must be included in the application.
6. Each band will be able to perform for no more than 20 minutes. Set-up time limited to ten minutes between sets.
