

What are children's favorite memories from previous McFarland Family Festivals? Probably the carnival rides and marching in the parade. Or perhaps they remember watching shows in the big top tent with their families.

The McFarland Family Festival creates tomorrow's memories.

**The 2011 McFarland Family Festival is Sept. 16-18 at the McFarland High School.**

McFarland Family Festival, Inc (MFF) is a not-for-profit organization dedicated to the goal of building a "Greater Sense of Community in McFarland."
